

Drop off Consent Form

To enable our drivers to support your wishes that your child is dropped off with no adult present or visible, we require written permission from you as the parent/care giver. This helps us provide a safer service and is in line with Ministry of Education policy.

Please complete this form and hand in to your school to return to Pearsons. You can also take a photo and email the signed form to us at oamaru@pearsonskoachlines.co.nz.
